Dear Potential Maine Sire Stakes Program Participant:

The 2015 Stallion Directory contains the stallions that have registered with the Commission office indicating they will stand in the State of Maine during the 2015 breeding season.

The number of stallions has decreased this year; however, the quality of our stallions continues to improve. The proof of this statement can best be seen with the improved quality of the participants in the Sire Stakes Program. This past year we had a very good crop of two year old trotters and pacers as well as a great group of three year old participants.

I encourage anyone who wishes to become a part of this very lucrative program to contact the owners/agents of these stallions and breed his/her mare(s) to insure the resulting foal is eligible to the Maine Standardbred Sire Stakes Program.

The purses available to this program have increased from \$350,000, in the early 1990's, to over **\$2,000,000** this past year. The foals resulting from this breeding season will be eligible to take advantage of the continued added monies generated from the operation of slot machines at Hollywood Casino Hotel and Raceway and the Oxford Casino. The estimated purses for 2015 should exceed **\$2,000,000**.

I would also encourage everyone who has a Maine sired horse to become a member of the Maine Standardbred Breeders and Owners Association. This organization will keep you abreast of the latest issues facing our industry, educational seminars, as well as provide you with timely information regarding payments and race schedules.

If you have any questions concerning the program please do not hesitate to contact my office.

Sincerely,

Henry W. Jackson
Executive Director

Maine Sire Stakes Breeders

Welcome to the 2015 Maine Sire Stakes Stallion Directory

2014 was our 40th year of the Maine Sire Stakes Program.

We had a two year old trotting filly (Bibbidi Boo) with a perfect season – 10 for 10.

Congratulations to the connections – William Varney, Lynn-Marie Plouffe, Valerie Grondin and Heath Campbell.

This is the results of our participants breeding better mares and quality stallions. As our Maine bred horses continue to improve, we hope this will help our Sire Stakes Program grow and attract new owners and fans.

I would like to thank the people who do the hard work in putting together the 2015 Stallion Directory and the 2014 MSBOA Yearbook. They donate their time and energy for the good of this program. Please give recognition to Diann Perkins and Lisa Watson.

We think you will find many quality stallions for your mares in this directory.

Good Luck,

Chapter 9: SIRE STAKES

SUMMARY: This chapter pertains to the establishment of a Breeders Stakes program to encourage and develop a Maine breed of Standardbred horses-pursuant to 8 MRSA §281. If no exception is provided in this chapter, the general body of harness racing rules and regulations shall apply to the Sire Stakes program and Sire Stakes races.

Section 1. General

1. A committee of advisors will be appointed annually by the Commission to assist the Commission in promoting this program. The advisors will be selected from interested persons engaged in breeding or racing Standardbred horses. At least one member will be from an Association programming at least one stake race. The advisory committee will serve without compensation.
2. Any Association that desires to host events in the Maine Standardbred Breeders Stakes must so inform the Commission at the annual race date assignment hearing proceeding the year of the event.
3. The Commission shall establish a schedule of races and select the sites of the events annually.
4. The name of the events shall be Maine Standardbred Breeders Stake No. 1 for eligible 3 year olds in 1974 and Maine Standardbred Breeders Stake No. 2 for eligible 2 year olds in 1974, then numbered chronologically each succeeding year. Eligibility, estimated values, fees, and conditions shall be announced by publication no later than March 1 of the year of the race. Purses will be announced by the Department no later than June 1 of the year of the race. Application forms will be available at the office of the Department.

Section 2. Eligibility Criteria

1. In order for its get to be eligible to the Maine Standardbred Breeders Stakes a stallion must be registered with the Commission for the current breeding season prior to January 1 of the year of the breeding season and must stand at stud the full breeding season in Maine except as provided for in Section 2, sub-section 1, second paragraph. The breeding season is defined as the period beginning February 15, through July 15 of each calendar year except as provided in the second paragraph. The registration fee shall be \$100.00 per stallion per breeding season. Registration fees shall be made payable to the Treasurer, State of Maine and forwarded to the Commission's Office within the Department and such fees will be added to purses.

Any person standing a stallion who fails to register a stallion as required aforesaid may register said stallion upon payment of the registration fee and an additional payment of \$500.00 on or before February 15th of the ensuing breeding season. The stallion shall not have been registered nor stood in any other racing jurisdiction during the current breeding season as defined in Section 2 subsection 1.

A stallion may be brought into the program at any time after February 15th to replace a registered stallion which is unable to breed, as evidenced by a veterinarian or laboratory test indicating it is infertile, or dies during the breeding season. In this case a \$100.00 registration fee is required but no late fee is required.

A new stallion may be brought into the program after February 15th with the payment of the registration fee and a late fee of \$750.00.

The stallion is to reside in the State of Maine at a designated standing farm throughout the entire breeding season as described in this section, except as provided for a late registration. The stallion may not be moved from the designated standing farm (except in the case of a medical emergency) with the following exceptions:

- A. A stallion duly registered may, upon advance written notification to the Executive Director, move from the designated standing farm provided that the farm to which the stallion is moved is located in the State of Maine.
 - B. A stallion duly registered may, upon advance written approval from the Executive Director, be moved to another state for non-emergency medical reasons.
 - C. A stallion duly registered may, upon advance written approval from the Executive Director, be allowed to race during the breeding season.
2. Breeding Report. A copy of the form reporting the breeding of mares to the United States Trotting Association will be completed and forwarded to the Commission Office not later than September 1 of the year of breeding. Mares bred by transported semen shall be so identified on the Mares Bred Report.
 3. Colts and fillies sired by an eligible Maine stallion shall be eligible to the Maine Standardbred Breeders Stake races providing that they are named and that name is registered with the United States Trotting Association and all required documents are filed and fees paid. This is effective with the foals resulting from the 2003 breeding season and thereafter.
 4. The foal produced from any mare which is inseminated after January 1, 2003 by semen transported outside of the State of Maine and from a stallion duly registered with the Commission will be eligible for nomination to any Maine Standardbred Breeders Stakes programs.

Section 3. Payments and Fees

1. Yearling nomination payment of ~~\$20.00~~ **\$30.00** shall be due on all Maine sired colts and fillies by May 15 of the year following the colt or fillies year of birth and payment must be accompanied by a copy of the colt or filly USTA Registration Certificate. In the event a yearling payment is not made on May 15 of the year following foaling, the foal may be made eligible providing that all other eligibility requirements are met by payment of a \$500.00 late fee together with the previously missed payment.
2. A continuation fee of ~~\$20.00~~ **\$30.00** for eligible 2 year olds shall be due February 15 of the year of the race.
3. A continuation fee of ~~\$50.00~~ **\$75.00** for eligible 3 year olds shall be due February 15 of the year of the race.

5. The gait on which 2 and 3 year olds will race must be specified at the time the sustaining fee is paid, May 15 of the year of the race. Switching gait or racing at both will be allowed only if the horse has been sustained, and fees paid, to both trot and pace by May 15 of the year of the race.
6. A starting fee of \$75.00 for eligible 2 year olds to seasonal events shall be due at the time of declaration and payable to the Association sponsoring the event. A starting fee of \$100.00 for eligible 3 year olds to seasonal events shall also be due at the time of declaration and payable to the Association sponsoring the event.
7. Nomination, continuation, sustaining and supplemental payments will be made to the Maine Harness Racing Commission at the Department's office.
8. Otherwise eligible Maine bred colts and fillies that were not kept eligible by payment of subsequent fees, as a yearling, or as a 2 year old, may be made eligible as a two year old, providing all other eligibility requirements are met, by payment of a \$750.00 late fee and all previously missed payments and late fees are made prior to declaring in for the first two year old stake race for that sex and gait for that year.
