Entries and Post Positions for the Finals

HORSES MUST ENTER EACH LEG TO BE ELIGIBLE TO ANY FINAL! The eight top money winners in the Legs that declare will be eligible to race in the Final, with no more than two declarations from one interest. POST POSITIONS IN THE FINAL WILL BE DRAWN THE SAME AS ANY LEG OR OVERNIGHT EVENT!

In the event that less than the top 8 money winners declare into a Final, the next highest earners will be eligible to enter. In the event where enough money winners fail to declare for the Final, starters in the Legs that are not money winners may declare for the Final to constitute a field of 8 and such entries shall be drawn by lot.

Should fewer than six separate interests declare in for any Leg or the Final in any event, the event WILL BE CALLED OFF. Those eligible horses that declare in to start will share equally nominating fees for that event.
